

Date: August 12, 2024

To Whom It May Concern,

This is to certify that Tirth Patel has successfully completed a one-month tenure at Starlumen Energy, where he worked in fields of Data Manipulation and Data Visualization. During this period, Tirth worked on various datasets, showcasing a profound understanding of data handling.

Tirth's responsibilities included collecting, cleaning, and organizing datasets, ensuring data accuracy. He used tools and software to transform raw data into meaningful insights, which significantly aided our decision-making processes.

Tirth Patel showed his dedication and enthusiasm throughout the tenure. His contributions have been highly valuable, and we wish him all the best in his future endeavors.

Sincerely,

**STARLUMEN ENERGY LLP**

**PARTNER**
